This clinically proven ingredient combines the nourishing and revitalizing powers of 13+ botanical oils and extracts with a patented, activated oil from olive and jojoba seed extract.

- **MONAT Exclusive Peptide**: Tightens and helps support the skin's natural collagen to reveal tighter skin, improved texture and an overall ageless appearance.
- **Plant-Based Stem Cells**: Extracted from moss, helps to lift, tighten, support collagen, and defend skin by providing antioxidant protection to guard against oxidative stress caused by the sun and other environmental elements of surviving, thriving, and healing.
